FRIDAY 12TH APRIL, 9.45-17.00
CITY, UNIVERSITY OF LONDON
EC1V 0HB

Inspired by burgeoning developments in creative and innovative methodologies in criminology, the third annual WCCJN 'critical conversations' event will explore contemporary innovations in research on women and gender.

This one-day conference will showcase innovative ways of doing and communicating criminological research via visual methods, arts and documents and the positioning of the researcher therein.
