Mission statement:

The BSC HCN are united in our support for our trans communities and friends. This event will acknowledge the extent of transphobia in our societies, and provide a safe and supportive environment for our trans allies to share experiences and have freedom of expression. It will address the issues and impact caused by transprejudices and provide a vehicle for community organisations and criminal justice agencies to collaborate in respecting and promoting diversity, and challenging discrimination, Othering and prejudice.

The conference aims to:

- Empower our Trans communities to feel safe and supported
- Address the prejudice towards our Trans communities
- Demonstrate Allyship with our Trans communities
